

LSC-2X2-4L

Dimensions: Two High by Two Wide Cabinet
14 $\frac{3}{8}$ "(H) x 13 $\frac{3}{4}$ "(W) x 25 $\frac{1}{4}$ "(D)

The LSC-2X2 -4L is a counter top lid dispenser cabinet for standard McDonald's cold drink lids.

Description: The LSC2x2-4L is a counter top cabinet equipped with lid dispensers calibrated for each of the three different McDonald's cold drink lids. They are arranged side by side on two levels. Currently used for cold drink lids. Each cabinet has 1 child (12 oz.) dispenser, 2 Small/Medium (16/21 oz.) dispensers and 1 Large (32 oz.) dispenser.

The LidSaver™ Single Lid Dispenser Keeps Beverage Stations Profitable by Virtually Eliminating Lid Waste and by Helping Them Stay Neat, Clean, Sanitary, and Attractive to Customers!

The LidSaver's™ Outstanding Patented Features–

- ▶ Prevent excessive handling, exposure and contamination of lid inventory
- ▶ Eliminate unnecessary cup lid waste
- ▶ Meet Federal Mandate #4-904.11. Only dispenser on the market that can guarantee single lid dispensing.
- ▶ Minimize inventory loss and accelerates payback

- ▶ Add a high-tech appearance to beverage stations
- ▶ Keep traffic moving at busy self-service beverage stations
- ▶ Make installation easy
- ▶ Make lid size identification easy
- ▶ Saves labor time - loads in seconds and needs less attention

LSC-2X2W-4L
